

Visitation Policy

Updated June 8, 2022

We welcome all visitors regardless of vaccination status AND we continue to strongly encourage all visitors to be vaccinated.

If you are not feeling well or experiencing any of these symptoms, please delay your visit.

- FEVER
- NEW COUGH OR RESPIRATORY SYMPTOMS
- CONGESTION OR RUNNY NOSE
- NEW LOSS OF TASTE OR SMELL
- SORE THROAT
- HEADACHE
- BODY ACHES
- NAUSEA
- VOMITING
- DIARRHEA

We encourage you to follow up with your Primary Care Physician or seek COVID Testing. The level of virus activity in Milwaukee County continues to be elevated, and your risk of exposure is high. Please remain vigilant about your own precautions.

All Visitors:

- Will be screened at the Resident Service desks for signs and symptoms of COVID-19 and will have their temperatures checked.
- Must wear a mask at all times in public areas except while eating or drinking. (*The CDC has lifted the mask requirement for fully vaccinated individuals in public areas with exception for Health Care settings such as Saint John's. Per CDC guidelines, visitors who are aged two or older, regardless of vaccination status, are required to wear a well-fitting face covering and physically distance from others while in public or common areas.*)
- There is no limit on the number of visitors per day, the number of visitors at one time or the length of a visit. Visitors may stay overnight.
- Visitors may attend programming and events.
- Visitors may dine with residents in Taylor's, The Bistro and the Care Neighborhoods.

Visit Guidelines are subject to change at any time and without notice.

While Saint John's strives to accommodate individual wishes, these guidelines exist for the health and safety of all we serve. If your actions are not in compliance with these guidelines, a Saint John's employee will graciously and respectfully communicate our expectations. We ask that you respond with grace and respect.
