Follows correct food handling procedures; uses disposable spoons for food sampling, thaws foods in refrigerator or sealed under cold water, cools leftovers in shallow (under 2") pans, covers/dates/labels leftover perishables and uses within 72 hours, uses separate cutting board for meats and produce to avoid cross-contamination, stores raw meats below cooked products to avoid cross-contamination, uses thermometers to ensure that products are out of 45° to 140° danger zone during preparation/storage/service, wears disposable gloves/uses utensils as appropriate, uses only sanitized

- knives/utensils, maintains work areas and food processing equipment in a clean/sanitary/orderly manner, at all times. Ensures all staff understands and follows.
7. Standardizes recipes and food production methods/procedures; Suggests/tests menu and recipe ideas for inclusion and completes daily food production utilization records as required.
  8. Assures that all resident/client rights are always maintained. Reports any violations or suspected deviations immediately, according to Saint John's policy.
  9. Maintains confidentiality of all department and organizational information.
  10. Knows and follows existing lines of communication and authority.
  11. Works tactfully and cooperatively with residents, clients, families, visitors, and staff throughout the organization.
  12. Attends in-services, meetings, seminars as required and changes schedule or works overtime to meet the needs of the residents.

### **Person Centered Care/Professional Integrity and Responsibility**

1. Employees act with honesty and openness in all their dealings as representatives of the organization and are expected to support a working environment that values respect, fairness, inclusiveness, and integrity. Our employees promote responsibility in the workplace by recognizing and respecting the boundaries of people with whom we work and serve.
2. Employees support practices and principles of the person-first philosophy that gives residents the power of choice. Employees are considered part of the community and are expected to perform duties within the principles and practices that guide care and services through knowing and honoring the person before the task. i.e., fostering relationships between residents, family, and staff; Each person is to be known as an individual who can and does make a difference; We nurture the spirit as well as the mind and body; We promote growth and development for all; and we create an environment that meets the physical, social, emotional, intellectual, spiritual, and occupational needs of individuals and the community.

### **WORK SETTING/ENVIRONMENT:**

Work is performed in well-lighted areas, standing for long periods of time, with continuous exposure to noise, high humidity, wetness, and temperatures up to 85°F. There is continued exposure to burns and bodily injuries during frying/grilling with grease/oil, handling/lifting heavy, hot food pans, processing fruit and vegetables and meats, walking on wet or greasy floors or when operating slicing and food processing equipment. There are frequent exposures to temperatures between 0° to 40°F when preparing/storing/retrieving salads/other cold items from refrigerator/freezer and frequent exposures to electrical and/or mechanical equipment hazards with occasional exposure to hazardous cleaning chemicals. Seldom are there exposures to blood/body fluids.

### **EQUIPMENT USED:**

Commercial ovens, steamer, mixer, blender, food processor, garbage disposal, slicing machine, ranges, broiler, steam table, microwave oven, deep fryer, toaster, sink, knives, ladles, scoops, other utensils, large pots, pans, measuring cups, chafing dishes, menus, printed forms, phone, computer, fax machine pencils/pens.

### **PHYSICAL/SENSORY COGNITIVE REQUIREMENTS TO PERFORM THE ESSENTIAL JOB FUNCTIONS:**

**Physical Strength:** Must be able to frequently push/pull/lift/move objects weighing up to 35 pounds, and occasionally push/pull/move food carts weighing over 50 pounds.

**Manual Dexterity:** Must be able to continuously perform moderately difficult manipulations when slicing/chopping/paring food and setting equipment time/temperature controls.

**Coordination:** Must be able to continuously perform tasks requiring hand/eye coordination and steadiness of motion as when using food service tools and equipment, measuring ingredients, portioning food, and pouring liquids.

**Mobility:** Must be able to continuously stand and walk for prolonged periods; reach over the shoulder, twist, bend to the floor and frequently remain in uncomfortable positions for prolonged periods, as when bending over work or stove.

**Speech:** Must be able to frequently speak clearly and make self understood in face-to-face interactions with food service staff and occasionally when speaking to staff, residents, and customers of Taylor's.

**Emotional Stability:** Must be able to continuously deal effectively with stress created by a noisy kitchen environment, changing menu requirements, mealtime schedules, multiple tasks, residents' requests, unhappy customers, or staff.

**Vision:** Must be able to frequently discriminate colors and see objects closely to read food labels, menus, and to ensure presentation is to standard.

**Hearing:** Must be able to continuously hear normal sounds and voice patterns within a moderately noisy kitchen environment.

**Smell:** Must be able to continuously assess food wholesomeness and distinguish differing food aromas, spoiled foods.

**Taste:** Must be able to continuously distinguish separate flavorings, seasonings, etc.

**Concentration:** Must be able to continuously concentrate on moderate detail with frequent interruption when reading recipes/menus/production records.

**Attention Span:** Must be able to continuously attend to tasks and function for more than 60 minutes at a time.

**Conceptualization:** Must be able to frequently understand and relate to specific ideas generally several at a time.

Must frequently understand and use concepts behind specific ideas, such as cooking characteristics of meats/other foods, recipe standardization, modified diet rationale, use of commercial equipment.

**Memory:** Must be able to continuously remember verbal and written tasks/assignments for a full shift.

**EMPLOYEE RESPONSIBILITY IN AN EMERGENCY:** Must know, understand, and comply with all emergency procedures and be able to assist with resident evacuation if necessary and all safety, security, infection control and hazardous materials policies and procedures.
